

## Click with a site that clicks with you

You're a unique person with unique health needs. At Cigna, we get that. That's why there's **myCigna.com**. This personalized, secure site gives you instant access to all your important health information, so you can better manage your health and health care expenses.

### It's all about you

This personalized site makes it easy to find what you need, when you need it. Want to find a doctor? Track a claim? View your account balances and deductibles? No problem. On **myCigna.com**, you're never more than a few clicks away from accessing your complete coverage information, claim activity, network doctors and hospitals, and so much more.

### More with myCigna.com

Throughout the site, you'll find a variety of useful tools and resources:

- Get personalized estimates for common medical conditions and services
- Compare hospitals by cost, quality of care ratings, number of performed procedures and patient outcomes
- Manage and track your personal health by taking a Health Assessment – a confidential, online questionnaire that gives you a clear picture of your health today and teaches you simple steps for improving your health in the future

Maintain a personal health record for quick access to all your important health information, whenever you need it

Together, all of these features make it easy to stay on top of your health.

It's all about helping you stay organized and in control of your health care and health care expenses.
